All our food is prepared in a kitchen where nuts, gluten and other allergens are present and our menu descriptions do not include all ingredients. If you have a food allergy, please let us know before ordering. Full allergen information is available on request.

After a long spell without a café, 'The Café at RiversMeet' was opened in May 2016. The Gillingham Community and Leisure Trust felt it was important that the café should be very much an integral part of this community owned and led leisure centre rather than, as previously, a separate privately owned business.

As part of our commitment to put the local community at the centre of everything we do, we try to use local suppliers, for example Lavender Blue Bakery for our cakes and Martin Carwardine for our coffee. This also helps reduce our carbon footprint through fewer and shorter deliveries.

We also strive to offer you, our customers, a varied selection of food and beverages of excellent quality and reasonably priced. We are able to do this because, as a 'not for profit' charitable trust, we are not striving to extract maximum profit, but instead to provide a service to our customers.

Any surplus we do make is invested straight back into the Centre, enabling us to continue our commitment to providing Gillingham with our excellent leisure facilities.

We very much appreciate the support of our customers to date, and would respectfully ask that you recommend us to your family and friends so that we can continue to thrive and expand. We also truly welcome any comments or suggestions about how we can improve the service we offer.

Tray bakes supplied by Lavender Blue Bakery, Gillingham

Please note that we do not deep fry any of our products.

All food is made to order. During busy periods there may be a wait so please bear with us. See our cake display for all things sweet.

Café opening times / Last orders for hot food

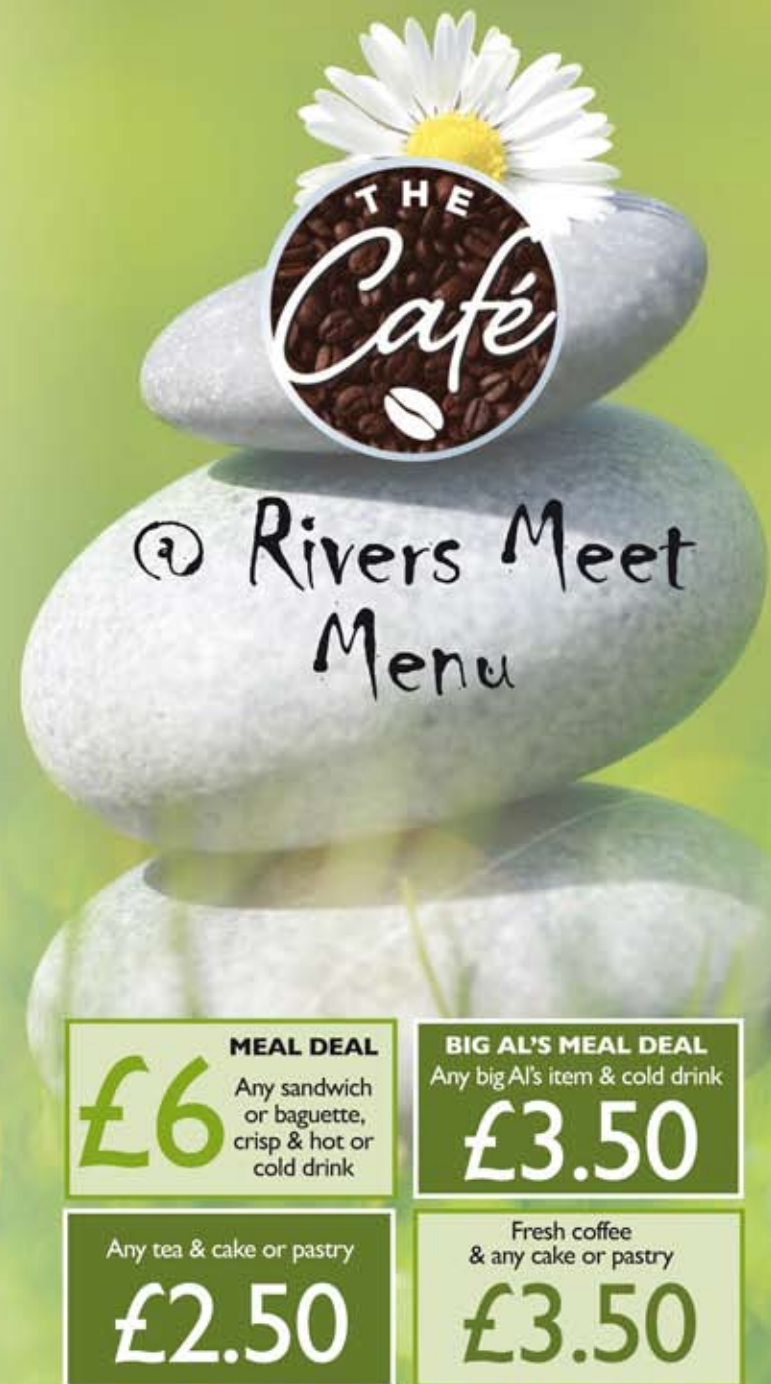

10am – 4.45pm Monday to Friday

9.30am – 3.45pm Saturday

9.30am – 2.45pm Sunday
