Donation buckets for all charities will be located across the site.

Blackmore Vale Boxing Club

Blackmore Vale Boxing Club are looking to refurbish and update their ageing equipment whilst promoting boxing in the local area for all ages.

The Lions Club

The Lions Club are raising money for the following clubs through their Santa's Grotto based in the main hall on the 7th and 8th December.

Gillingham Town Football Club

GTFC have found themselves in an unfortunate position where they are having to raise £40,000 for flood lights and stands to complete their community project sports facility.

The club is currently growing very fast, going from having 3 teams last season to 6 this season including ladies football as well as walking football, which is becoming very popular. We are also considering a second Ladies team for next season.

The facility hosts many events to include school matches, charity events and we are continually looking to diversify its availability to the wider community.
